

Nikhil Narale

Technical Support Engineer, Fluids

“If you want to develop a product, can you really afford not to use computer simulations in your design process?”

BIO

Nikhil's interest in thermal and fluids developed during the course of his undergraduate studies. This interest led him to pursue advanced degree to explore and learn more. In pursuit of his Master's in Thermal Engineering, he was introduced to the world of engineering simulations.

GOALS

- Inspire and empower people in using technology for making this world a better place
- Contribute towards advancement of engineering simulations

ANSYS EXPERIENCE

At Ansys, as a Technical Support Engineer, Nikhil has been actively involved in the development of Ansys Innovation Courses. He has also been involved in providing guidance and support to the customers.

SPECIALTIES

- Heat Transfer
- Aerodynamics
- Multiphase Flows

INDUSTRY INTERESTS

- Automotive
- Consumer Products
- Process and Energy

PROFESSIONAL

EDUCATION

Masters in Thermal Engineering, BITS Pilani

Bachelors in Mechanical Engineering, Nagpur University

PERSONAL

INTERESTS

Wildlife and Nature Photography, Travelling and Trekking.

LANGUAGES

English, Hindi and Marathi

COMPETENCIES

SIMULATION

ENGINEERING

LEADERSHIP

Ansys PHYSICS
